

# Corporate Wellness Researcher

Coach Alba builds web and mobile technology to help people make significant personal lifestyle changes. Coach Alba, the service, is a text message program that teaches people to overcome crucial moments when they might be tempted to deviate from their goals.

We're looking for bright, persistent representatives to help us research and contact corporate and organizational wellness coordinators to promote Coach Alba as a tool for their employees.

## Job Description:

- Researching companies that fit our target client demographics
- Researching to find the correct wellness contacts and the best methods of connecting with them
- Contacting wellness coordinators and benefits administrators to invite them to learn more about Coach Alba
- Working to perfect messaging and promotion cycle as we share Coach Alba
- Initiating partnerships or research opportunities with organizations that are interested in promoting Coach Alba

## Applicant Requirements:

- Be passionate about personal change, particularly in health and fitness
- Be available to work a minimum of 20 hours per week
- Eager to perform research and assist with our corporate wellness clients

## Hiring Details:

- Pay is \$10.00 per hour. Additional bonuses based on performance.
- 20-30 hours per week during normal business hours
- Ideally this could transition into a full-time position

## How to Apply:

- Send an email to Max at [max@coachalba.com](mailto:max@coachalba.com)
- Attach a recent copy of your resume **formatted as a .PDF**
