

Do you love to sew?

Everest Linens, a leading US manufacturer of high quality bedding products, is coming to Utah Valley!

We are looking for talented sewers who take pride in their work!

Full and part-time positions available for anyone who knows how to sew or is willing to learn. Immediate openings available for candidates who can temporarily go to Lake Havasu City, Arizona for 2-6 weeks for paid training before relocating back to Utah Valley to help open the new facility this fall (training in Lake Havasu is preferred but not required for all positions).

Positions available for experienced sewing machine operators (primarily straight stitch and overlock machines) or for inexperienced candidates who can demonstrate an ability to learn quickly and produce high quality finished products. Team lead positions are also available for those with appropriate experience.

We offer a clean, friendly and comfortable workplace with flexible work schedules. Compensation will depend on sewing ability and speed, with emphasis placed on quality.

Other positions include:

- Product design & prototyping
- Fabric cutting
- Shipping & Receiving
- Customer Service (mostly phone and/or online)
- Order entry/data entry/bookkeeping

**Interested candidates are encouraged to email
jobs@everestlinens.com or call (949) 310-4138**

Luxury just got more convenient
